

CHAIR 14

Wooden chair with charmingly simple and contemporary design in both.

Frame of the chair is made from solid birch. Seat and backrest birch plywood. Finished with a slightly white tone varnish, so the wood tone is naturally light birch. Legs include plastic floor glides. Chairs are stackable. Weight 5 kg.

In the same chair family as a "Mini" version are available children's chair with seat height 35 and 38cm and high children's chair "14 mini 50cm" with footrest.

ADDITIONAL OPTIONS

- finishing stained + varnished (MOQ 50 chairs)
- felt glides
