16 mini 31cm

16 mini 35cm

16 mini 38cm

IMPORTANT! READ CAREFULLY AND KEEP FOR FUTURE REFERENCE

WARNING

- DO NOT place this product near a window as it can be used as a step by the child and cause the child to fall out of the window
- Be aware of the risk of open fires and other sources of strong heat in the vicinity of the product
- DO NOT place this product near a window where cords from blinds or curtains could strangle a child

Seating with seat height 26cm is intended for children age 1-3 years (growth 93-116cm).

Seating with seat height 31 and 35cm is intended for children age 4-7 years (growth 108-121cm).

Seating with seat height 38cm is intended for children age from 8 years (growth 121-159cm).

The chair is completely assembled.

Do not use the seating if any part is broken, torn or missing and use only spare parts approved by the manufacturer.

General

Use the chairs for its intended purpose only.

Do not use chair as a ladder or climbing structure

Do not try to balance a chair on rear corners of the legs

Chairs must be used in a dry, well-ventilated place, where air temperature does not drop below +18°C and relative humidity is 40-60%.

Do not place chair in strong sunlight or against a heater, as it may cause discoloration and appearance of the product.

When clearance occurs in furniture joints containing ties, bolts or screws, they occasionally need to be tightened.

Stacking

A stack of chairs must not contain more than 4 chairs.

When stacking the chairs, make sure that they will not tip over.

Maintenance and cleaning

Check periodically that all screws and fasteners are tight.

If stains or dirt is spilled on a chair, always wipe it off before it dries.

For cleaning use a soft, slightly moistened clean cloth. Dry the surface after cleaning.

Do not use strong or abrasive cleaners. If necessary, dirty surfaces can be cleaned using a small amount of mild detergent or soap. Rinse and dry the areas cleaned with detergent.
