

60 MINI WITH LAMINATE

Comfortable children's chair for a playgroup or nursery school.

Material birch plywood. Seat and backrest covered with laminate. Round corners provide additional safety. Available in seat heights 35 and 38 cm.

ADDITIONAL OPTIONS

- * with armrest
- * felt glides

60 mini, with armrest

LAMINATE is a surface material which is used on furniture details that demand high resistance.

Children's chair has laminated backrest and seat. It is possible to choose among birch imitation laminate or colored laminate. Laminate is wearproof, durable to scratches and bumps. Surface is easy to clean. As laminate is sunfast, the colorful appearance of the chair stays changeless for years.
